DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on November 15, 2006, is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Drawings

2. The drawings were received on November 15, 2006. These drawings are acceptable.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

4. Claims 29-32, 35-43, 49, 56-58, 60-72, 93, 94, 96, 100, 101, 103-106, 112, 113, 115, 117, 119-124, 131, 136, 144, 145, 151, 152, 155, 157, 161, and 165-167 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Nowhere in the specification or the drawings is support for sending a

message to the first gaming device wherein the message includes information authorizing the first gaming device to transfer the gaming information to the second gaming device wherein the first gaming device and the second gaming device are separate from the authorization agent, as claimed in the independent claims.

Response to Arguments

5. Applicant's arguments with respect to the art rejections are persuasive. Pending the applicant's response to remedy the 112 1st rejection above, the claims will become allowable.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
